Sir,

With reference to your office memorandum No:385/Muz:302-08-2 dated 27th January 1909 and docket No:1777/308-08 dated 30th April 1909 calling for reports on the petitions of B. Narnappa and R. Gundachar respectively, praying that Sarvamanya Inam Koudrajanahalli village belonging to the Vyasarayaswami Matt may be leased out to them on the expiry of the current lease I have the honor to submit herewith copy of the D.O. letter dated 10th instant from the Hagir Amildar of Sidlaghatta to the Sub Division Officer and to state as follows:-

For over thirty years Narasimhachar and Bhimannachar were the lessees of the above village paying an annual rental of 350 rupees which was increased to Rs.360 in the year 1904-5 when the lease was renewed for a further period of five years. (Vide Government Proceedings 2221-2 dated 14-12-04). This lease has expired by June last and the Amildar has omitted to report whether the lessees desire the continuance of the lease alleging that their whereabouts are not known.

Petitioner Narnappa, is a respectable resident of Sidlaghatta town and has agreed before the amildar to pay an annual rental of Rs.450/- and to deposit Rs.300/- as

earnest

earnest money if the village is leased out to him, for a period of five years; petitioner Gundachar, on the other hand, offers an annual rental of ~~@@@~~ Rs.400/- in case the village is leased out to him. As there are two applicants and as, moreover, the original lessees have not been given an opportunity to state their own intentions, the only course left open is to offer a fair opportunity to them all by having recourse to a public auction. If this meets with your approval, a notification* might be caused to be published in the Gazette, to the effect that the auction sale will take place before the amildar in the Taluk Cutcherry, Sidlaghatta, at 11 a.m. on the 9th August 1909.

Early orders are solicited as the matter has to be settled before the close of the sowing season.

Vernacular records ending with Sidlaghatta Amildar's report No:42 dated 9th April 1909 are also submitted for reference.

Sir,

I received your letter of yesterday's date re Kondarajanahalli Inam village.

On enquiry I learnt that the present lessee is not in this Taluk, and it is not definitely known where he is now and he has no agents here to speak for him. I sent for Bogram Narnappa and inquired. He has put in his application that he is willing to undertake the repairs of the tank if he is given the lease for Rs.300/- per annum. But as one Gundachar of Bangalore had offered Rs.400/- without any mention of the tank under the existing terms I told him that he must offer a higher sum than that. He is willing to take up the lease for 5 years on the existing conditions and ~~for~~ pay Rs.450/- a year and has promised to deposit Rs.300/- towards it. I have recorded his statement. He is also a respectable merchant. So, I think his offer may be accepted. Under these circumstances, I do not think that a sale is necessary. But as there are two applicants now, and Gundachar says that he will offer his bid during auction, a sale may if necessary be ordered. The cultivation season is not over and the year has just begun. If the sale should take place during this month, it will not be too late. Even then, I do not think that we can get any higher sum during the sale than what is now offered by Narnappa. He has promised to deposit Rs.300/- on Monday. I shall submit the report with his statement after he produces the deposit.

Yours very obediently,

Sir,

With reference to Government Proceedings No.359--60/ M.F.308-08-8 dated the 5th August 1909, approving of the proposal of selling by auction the lease of Kondarajanahalli Inam village in the Sidlaghatta Taluk, belonging to the Sri Vyasarayaswami matt, I have the honor to state that the sale came on 9th August 1909, and for want of bidders on that date was adjourned to the next day and again to the 11th idem. On the last date, the sale stood in the name of one Madure Basappa for Rs.405/-. Subsequently one Venkatappa appeared before the Amildar on the 26th August 1909 and offered Rs.420/-. The Amildar sought the instructions of the Sub Division Officer, Chikballapur in the matter of Venkatappa's offer and that Officer directed a fresh sale being held, taking the amount offered by Venkatappa as the starting bid. The village was accordingly put to a fresh sale on the 20th September last, when the highest bid for Rs. 460/- was made by one Devareddi and the whole amount was depo--sited in the Sidlaghatta Taluk Treasury.

2. The original lessee Narasimhachar was not present at any of the sales, but after the receipt of the sale records in this Office, a notice was issued to him informing him of the results of the last sale and asking him whether he had any representations to make in the matter. The said Narasimhachar peared before me on the 20th ultimo, and represented that village under sale had been in his management for over 35 the latest lease which was one for a [illegible]

3. Under the foregoing circumstances, in view of the long connection of Narasimhachar with the village and the improvements effected by him to the estate in the past as already reported to Government in this Office letter No.2596/249 dated the 11th November 1904, and on the likelihood of his taking greater interest in the improvement of the property than others, I beg to recommend that the village may be leased to Narasimhachar for a period of 5 (five) years for the enhanced sum of Rs.460/-. The said Narasimhachar produced the sum of Rs.460/-, on the 14th instant which is kept in Revenue Deposit.

4. The vernacular papers dealing with Chikballapur Sub Division Officer's yadi No.289 dated 24th September 1909 are herewith submitted for reference and kind return.

5. As regards the question of introducing Survey Settlement in the village, I shall submit a further report on receipt of proposals from the Sub Division Officer.
